Claims Conditions

When You make a claim under this Policy You must adhere to the claims conditions listed below. If You do not adhere to these claims conditions the Insurer may reject Your claim or reduce the amount of Loss that it pays to the extent that the breach of these conditions is responsible for increasing the amount of Loss.

1. It is a condition precedent of the Insurer's liability under this Policy that the Insured will give written notice to Us at the address shown under "Making a Claim", below, as soon as reasonably practicable, of any circumstances likely to give rise to a claim for which the Insurer may be liable under this Policy and provide Us with such information and documentation as may reasonably be requested.
2. The Insurer will be entitled to participate fully in any defence, negotiation or settlement of an Adverse Interest and in any such event the Insured will (to the extent reasonably practicable in the circumstances, but without limitation):
 - a. not incur any cost or expense without first consulting with and receiving written consent from the Insurer;

 - e. conduct all negotiations and proceedings in respect of any Adverse Interest with advisers of which the Insurer has approved in writing and take such action as the Insurer may reasonably require to contest, avoid, resist, compromise or otherwise defend an Adverse Interest;

If at the time of any claim made under this Policy there is any other insurance in place whether effected by the Insured or by any other person under which the Insured may be entitled to make a claim wholly or partly in respect of the Insured Risk the Insurer will be liable to pay or contribute in respect of a claim under this Policy only rateably with such other insurance.
4. If the Insured makes any claim knowing it to be false or fraudulent as regards amount or otherwise, this Policy will become voidable and all claims under it may be forfeited.

General Conditions

The following general conditions apply to this Policy. If You do not adhere to these general conditions the Insurer may reject Your claim or reduce the amount of Loss that it pays to the extent that the breach of these conditions is responsible for increasing the amount of Loss.

1. It is a condition precedent to the Insurer's liability under this insurance contract that the statements contained in the Statements of Fact made to the Insurer by the Insured are true and accurate at the time of Inception of the contract.
2. The Insurer and Insured agree that each will, where required to take any action or provide its consent or compliance, do so reasonably and without undue delay.

7. The Insured will take reasonable steps to mitigate Loss provided that where such steps are taken at the request of the Insurer and after the notification of an Adverse Interest the cost of such steps and any financial loss suffered by the Insured attributable to such steps will be borne by the Insurer to the extent that they do not constitute Loss.
8. If You disagree with the Insurer about an amount of Loss to be paid under this Policy after the Insurer has accepted liability to make a payment, the disagreement will be referred to an arbitrator who will be chosen by agreement between You and the Insurer. If the disagreement is referred to arbitration, You will only have a right of action against the Insurer if the arbitrator makes an award. The cost of arbitration will be shared equally between the Insurer and You.
9. If the Insurer agrees or is obliged to make any payment to or on behalf of an Insured because of an Insured Risk, the Insurer will immediately be subrogated to any rights which that Insured may have in relation to that Insured Risk.
